PLEASE TAKE NOTICE that the above-captioned debtors and debtors in possession (collectively, the “Debtors”) each filed a voluntary petition for relief under chapter 11 of title 11 of the United States Code (the “Bankruptcy Code”) in the United States Bankruptcy Court for the Southern District of Texas (the “Court”) on November 11, 2024.

PLEASE TAKE FURTHER NOTICE that, on November 12, 2024, the Debtors filed a motion (the “Motion”)² with the Court seeking entry of orders, among other things, approving (a) procedures for the solicitation of bids in connection with the Sale Transactions and the Auctions (the “Bidding Procedures”), (b) the proposed sale of substantially all of the Recovery Solutions Assets to the Recovery Solutions Stalking Horse Bidder, subject to the submission of higher or otherwise better offers, (c) the form and manner of notice related to the Sale Transactions, and (d) procedures for the assumption and assignment of contracts and leases in connection with the Sale Transactions (the “Assumption and Assignment Procedures”).

PLEASE TAKE FURTHER NOTICE that, on November 19, 2024, the Court entered an order (the “Bidding Procedures Order”) approving, among other things, the Bidding Procedures, which establish the key dates and times related to the Sale Transactions, the Auctions, and the Assumption and Assignment Procedures.

PLEASE TAKE FURTHER NOTICE that, upon the closing of a Sale Transaction, the Debtors intend to assume and assign to the Successful Bidder(s) (whether or not a Stalking Horse Bidder) the Potential Assumed Contracts. A schedule listing the Potential Assumed Contracts (the “Potential Assumed Contracts Schedule”) is attached hereto and may also be accessed free of charge on the Debtors’ case information website located at <https://dm.epiq11.com/Wellpath> or can be requested by email at WellpathInfo@epiqglobal.com. the Potential Assumed Contracts Schedule. *Each Cure Cost listed on the Potential Assumed Contracts Schedule represents all liabilities of any nature of the Debtors arising under an Assumed Contract prior to the Petition Date, whether known or unknown, whether due or to become due, whether accrued, absolute, contingent, or otherwise, so long as such liabilities arise out of or relate to events occurring prior to the Petition Date.*

YOU ARE RECEIVING THIS NOTICE BECAUSE YOU HAVE BEEN IDENTIFIED AS A COUNTERPARTY TO A POTENTIAL ASSUMED CONTRACT. Under the terms of the Assumption and Assignment Procedures, (a) at or prior to the closing of a Sale Transaction, a Successful Bidder may elect, in its sole and absolute discretion, (i) to exclude any contract or lease on the Potential Assumed Contracts Schedule as an Assumed Contract, as applicable (in which case it shall become an Excluded Contract), or (ii) to include on the Proposed Assumed Contracts Schedule any contract or lease listed on the Potential Assumed Contracts Schedule, by providing to the Debtors written notice of its election to exclude or include such contract or lease, as applicable, (b) if the Debtors or any Successful Bidder identify during the pendency of these chapter 11 cases (before or after the closing of a Sale Transaction) any contract or lease that is not listed on the Proposed Assumed Contracts Schedule, and such contract or lease has not been rejected by the Debtors, the Successful Bidder may in its sole and absolute discretion elect by written notice to the Debtors to treat such contract or lease as an Assumed Contract and the Debtors shall seek to assume and assign such Assumed Contract in accordance with the Assumption and Assignment Procedures, and (c) following an Auction, the Debtors may, in accordance with the applicable purchase agreement, or as otherwise agreed by the Debtors and the Successful Bidder(s), at any time before the closing of the Sale Transactions, modify the previously stated Cure Costs associated with any Proposed Assumed Contract. The Assumption and Assignment Procedures further provide that any Counterparty whose previously-stated Cure Cost is modified will receive notice thereof and an opportunity to file a Supplemental Assumption and Assignment Objection. **The assumption and assignment of the Contracts on the Potential Assumed Contracts Schedule is not guaranteed and is subject to approval by the Court and the Debtors' or Successful Bidder's right to remove an Assumed Contract from the Potential Assumed Contracts Schedule and Proposed Assumed Contracts Schedule.**
